

# *Let's use Kiko baking oven!!*

Light a fire in the Kiko baking oven  
with firewood and coconut shell.

Phone: 39551

After a fire is died, sweep away  
charcoals and ashes in the oven.

## **\* BLOW WITH PIPE\***

It is good idea to use a pipe  
when you blow fire.

***lumi kaikai ban!!***

Put a tray in the oven and wait  
for your dish is baked.
